WINTER STORAGE INFORMATION

WELCOME BACK TO OUR FRIENDS THAT HAVE BEEN WITH US FOR YEARS, AND WELCOME TO OUR GUESTS THAT WILL BE JOINING US FOR THE FIRST TIME THIS SEASON...

Enclosed you will find a monthly price breakdown for winter storage. The majority of our space rentals are for the entire storage season. We prefer payment in full for the entire season when contracts are signed.

We also understand that storage might be needed for a shorter time span. Some of our customer's place their RV's in storage for only a few months before going on an extended vacation. By providing a monthly breakdown on winter storage pricing, we feel that we are better able to accommodate the majority of our customers.

I do hope that weather it is for the entire winter storage season, or only for a few months, that you find our pricing and facilities the best fit for your storage needs.

As always, if you have any questions, please feel free to contact us during our regular business hours, which are 8:00 a.m. - 5:00 p.m., Monday through Friday.

Sincerely,

Donna Schnittker
